APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of an underground source as heretofore granted under Permit No. 11180 is issued subject to the terms and conditions impaired in said Permit No. 11180 and with the understanding that no other rights on the source will be affected by the change proposed herein. A valve must be installed if the well is free flowing and accurate measurements of water placed to beneficial use must be taken. The State retains the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.0 cubic feet per second.

Actual construction work shall begin on or before June 18, 1948

Proof of commencement of work shall be filed before July 18, 1948

Work must be prosecuted with reasonable diligence and be completed on or before June 18, 1949

Proof of completion of work shall be filed before July 18, 1949

Application of water to beneficial use shall be made on or before

June 18, 1951. Proof of the application of water to beneficial use must be filed with State Engineer on or before July 18, 1951

WITNESS MY HAND AND SEAL this 18th day

Proof of commencement of work filed JUN 8 1948 of November, 1947
Proof of Completion of work filed JUN 9 1949
PROOF OF BENEFICIAL USE FILED JUN 17 1951
